MOVING STORIES: AN IMMERSIVE EXPERIENCE

September 29th, 2022
50 Sussex Drive,

Shelter Movers is a national volunteer-powered organization that provides free moving and storage services to survivors fleeing abuse. In collaboration with local organizations and businesses, we support families transitioning to a life free of violence. By supporting Shelter Movers Ottawa, you will have an immediate and lasting impact in your community.

We invite you to take part in this extraordinary evening as a Corporate Partner to help support our fundraising efforts. Your donation will generate visibility for your business, while serving to further strengthen Shelter Movers' financial foundation. Most donations qualify for a charitable tax receipt.

The need

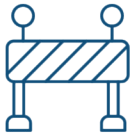

Abuse can affect anyone, but women and girls are disproportionately affected.

In Canada, a woman or girl is killed **every other day**, most often by an intimate partner or family member.

Social isolation and economic hardship from COVID-19 has increased gender-based violence. Over the pandemic, **the demand for our services rose by 40%**.

There are many barriers to leaving an abusive relationship. Beyond feelings of fear, shame and guilt, survivors of abuse report that **the logistical challenge and financial cost of moving are major barriers to leaving.**

Shelter Movers Ottawa is on track to complete its 1000th move by Fall 2022 and are currently moving **20 families per month.**

Be part of the solution

Shelter Movers is entirely dependent on the generosity of individuals and businesses to fund volunteer training, vehicle and storage rentals, and interpretation services.

Be part of this growing movement. Your support is appreciated and valued!
